

### **REMARKS**

A statement for a priority claim has been inserted into the specification immediately after the title and before the present text. In addition, claims 3, 4, 7, 8, and 12 have been amended, and claim 13 has been added.

If the examiner believes for any reason direct contact would help advance the prosecution of this case to allowance, the examiner is encouraged to telephone the undersigned at the number given below.

Respectfully submitted,  
Christopher James Newton Fryer and Duncan  
Robert Johnston
